The Holy Scriptures

[Share this](#)

Ancient and timeless, a masterpiece of literature, the Holy Bible reveals God's role in human history, our place in God's plan, and truth to guide us and shield us from deception.

The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration.

The inspired authors wrote as they were moved by the Holy Spirit. In this Word, God has committed to humanity the knowledge necessary for salvation. The Holy Scriptures are the supreme, authoritative, and the infallible revelation of His will. They are the standard of character, the test of experience, the definitive revealer of doctrines, and the trustworthy record of God's acts in history. (Ps.

119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; 2 Tim. 3:16, 17; Heb. 4:12; 2 Peter 1:20, 21.)
